

LEMON CURD

FROM: *Jan Watson*

Ingredients

1/2 cup sugar
2 large lemons (juice and zest) [not pith? -j.s.]
1/4 cup sweet butter
3 eggs

Directions

1. Combine in sauce pan and dissolve sugar over low heat.
2. When the sugar is completely dissolved, gradually whisk in the eggs stirring constantly.

(I would guess that a double boiler would be better than a normal saucepan for combining the eggs. -j.s.)
